

Dear Students,

We are informing that since **Nov 1, 2015, the ASC** is introducing **an electronic way of clearing “karta obiegowa.”** Since that date you are no longer obliged to collect the signatures in person and the procedure will be carried out electronically. The electronic “karta obiegowa” will appear in your accounts seven days before the planned BA or MA exam. In case of persons crossed out from the list of the students, the cards will appear in the account on the same day as the crossing.
