

The rules regarding the transfer of courses

In case of the following courses that were completed by students in other programs at the University of Warsaw:

Occupational Health and Safety, Physical Education and Foreign Language courses (with the exception of English):

The students, in assignments, file a request to assign the given course, which will be accepted by the Office for Students' Affairs at the moment of wrapping up the academic year.

General Education courses (OGUN):

OGUN courses and grades cannot be transferred from other programs at the University of Warsaw. In this case, please file a request in USOS for additional "chips" (żetony).

Intellectual Property Protection (POWI):

The transfer of this course can be done only by the instructor that conducts the training at the ASC. The date of the training and the test that follows it are announced by the Office for Students' Affairs. The contact with the instructor is possible only during the training.

Library training:

The students who completed the library training are obliged to submit the certificate of completion of the training to the Office for Students' Affairs.
