

American Studies Center is pleased to announce a **competition for research grants** for MA and BA students to support their work on their MA theses and BA papers. As the research must be related to a BA paper or an MA thesis, 3rd year BA students and MA students of all years will have a priority.

The maximum budget per grant is 4000 PLN. The money may be used to pay for travel to libraries to research in specialized collections or for the purchase of books and other resources necessary to complete their projects.

The grants will be awarded to the authors of the best MA and BA research proposals.

Interested candidates are asked to submit a research proposal of about 600 words stating:

1. Your name, year of study, title of the project
2. Research problem and its academic and/or cultural relevance
3. Research methodology
4. Research schedule (NOTE: the money must be spent before you finish your studies at the ASC or by December 15, 2025 at the latest, whichever comes first)
5. Budget (include estimates of plane/train tickets, lodging or of the cost of specific books)
6. Justification for the expense, i.e., explain why this money is needed for completing your research

The research proposals should be submitted by email to the Head of the committee: Prof. William Glass ([w.glass@uw.edu.pl](mailto:w.glass@uw.edu.pl)) by April 13, 2025. The final decision will be made by the committee members: Prof. William Glass, Prof. Agnieszka Graff, Prof. Bohdan Szklarski, and Dr. Jan Smoleński, by April 28, 2025.
